#EURealityCheck

# FAKE NEWS

The European Union is a dictator, imposing its decisions on Member States, which have surrendered their sovereignty.

Source: Pro-Kremlin disinformation campaign promoting Euroscepticism.

# #EURealityCheck

The EU operates on a system of **shared sovereignty**.

Issues of common interest and concern are decided at the EU-level, taking into consideration **the views of each Member State**.

The European Union  
is not above the  
Member States.

Rather,  
it is a mechanism  
for ensuring

effective

cooperation

among European  
countries.
