FAKE NEWS

The European Green Deal is an instrument of economic oppression designed by elite politicians.

Climate policies disrupt national economies, reducing competitiveness and making life more expensive for ordinary citizens.

There is no need for urgent climate action or large-scale interventions.

Resource scarcity and extreme weather events show that

rapid climate

action

is essential.

European **green policies** respond to this urgency.

Thanks to instruments
such as the
**Just Transition
Mechanism** and the
Social Carbon Fund,
the Green Deal
makes sure that

no one is left behind.

Citizens are
often invited to
plan and
implement **green
projects**, funded by
the EU.
