

GRASSROOTS INITIATIVES & DISINFORMATION

WHAT DO **YOUNG PEOPLE** THINK?

in Ireland

100%

of participants believed that **grassroots initiatives can strengthen communities against transnational disinformation...**

... with

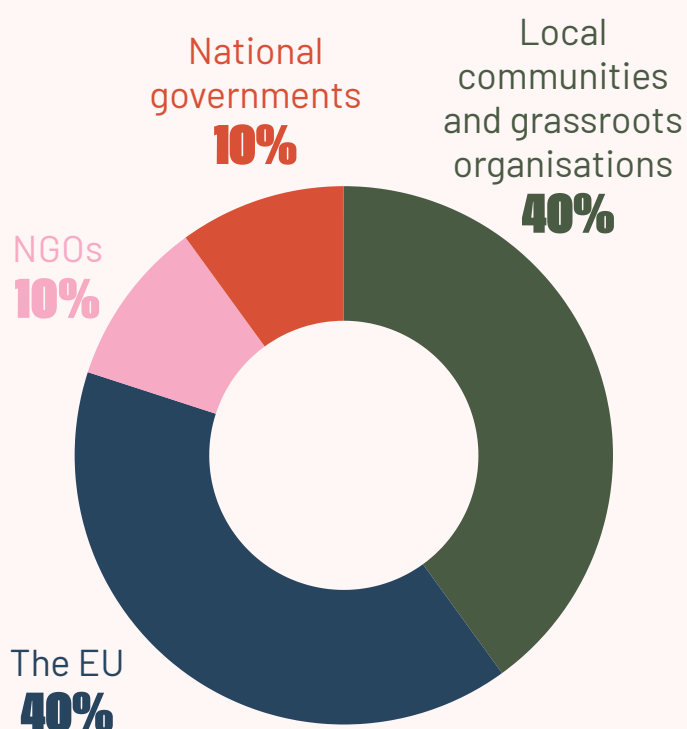

60%

seeing **a strong impact** and a further

40%

seeing **at least some impact.**

But who should take the lead?...

... and what is the most effective way to strengthen grassroots responses to transnational disinformation?

Tackling transnational disinformation requires **both institutional coordination and community-level engagement.**
