FAKE NEWS

Europe is facing a
"civilisational erasure" and it
will be "unrecognisable in 20
years or less".

leaders publicly praising this
document, as well as Russian
disinformation campaigns.

The EU's demographics
are diversifying, but

**IMMIGRATION IS
ONLY ONE OF THE FACTORS.**

Other factors include low
birth rates and an ageing
population.

#EURealityCheck

Immigration actually helps
maintain the **workforce**,
population size, and the
sustainability of **social**
systems.

#EURealityCheck

Through the EU's Action Plan on Integration and Inclusion, the EU aims to support the integration of migrants and create the necessary conditions for their full participation in all aspects of society.
