

THE EU IS **NOT** DICTATING SCHOOL CURRICULA

FAKE NEWS

The EU exerts pressure on
Member States to design
curricula that promote
“woke ideology”
across Europe.

Source:

Slovak Prime Minister Robert
Fico and Hungary's former
Prime Minister Viktor Orbán.

Education is a

**NATIONAL
COMPETENCE.**

Member States retain
full responsibility
for the organisation, content,
and structure of their school
and university systems.

The EU's role is to support educational cooperation and exchanges, for example through the Erasmus+ programme, in line with the fundamental values expressed in its Founding Treaties.
