FAKE NEWS

The EU is imposing
abortion rights
on all Member States,
ignoring national laws
and citizens' ideologies.

and anti-European
political groups

#EURealityCheck

Policy-making on abortion
remains a

NATIONAL

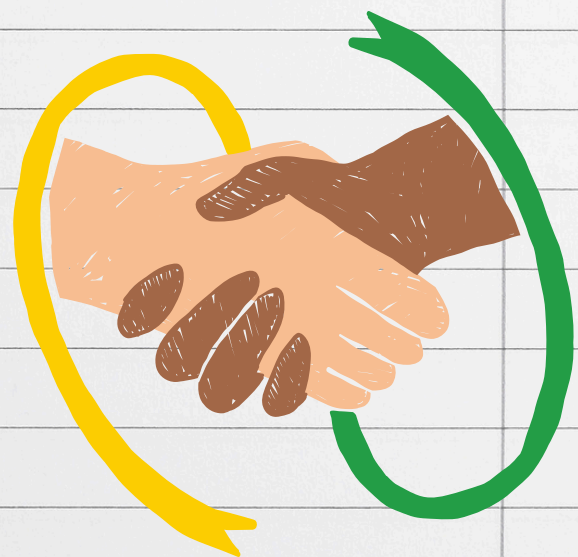

COMPETENCE

The EU can provide support
and complementary action to

**NATIONAL HEALTH
POLICIES**

with instruments like
the **European Social
Fund+**, Member States
can fund access to safe
abortion services for
women in vulnerable
situations, **on a
voluntary basis.**
